

## Year 3

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>English</b>	We teach English writing through core texts – high quality children’s books. Part of the enjoyment is that the books are read gradually, slowly allowing children to hear the developing story. We therefore prefer if the children do not know which texts are coming up so they do not read them prior to the teaching. It should be a surprise! All aspects of grammar, spelling and punctuation and handwriting are taught mainly through these writing lessons but sometimes through discrete lessons as well.
