# The Barn Croft Bulletin

Dear Parents & Carer,

I would like to say a big well done to our Y6 children for their hard work and amazing attitude to the SATs tests this week. We are so, so proud of them all!

We have been busy spending the monies raised from the London Mini Marathon on lots of new, exciting playground equipment and specialist PE equipment. As soon as it all arrives the children will have lots of new games to play at playtime!!

Please make sure you send your children into school with hats and suncream if they need it now that the weather is getting warmer!

After the half term holiday we will be having a Science Week - a whole week of focusing on scientific knowledge, skills and experiments!! We know the children really look forward to this!

Finally - please do add **Saturday June 25th** to your diaries - the date for our Summer Fair!!! We are all so excited and know it will be a great success. Thank you so much to Friends of Barn Croft for their hard work in organising it all!

Have a lovely weekend!

Tracey Griffiths **Headteacher**

We're excited to be part of the project POWER - this is a local project with big ambitions – to use one street in Walthamstow as a template for people powered action here and now and demand for Government action on both climate and economy. Initiated by the team behind the Bank Job (<a href="www.bankjob.pictures">www.bankjob.pictures</a>) we were previously involved with, this involves printing money (called 'Greenbacks'), selling the banknotes as artworks and raising the money (sterling) to both:

- Build a POWER STATION by installing solar onto one street as a model for how this could/should be happening across the country to address poverty and climate and energy crisis.
- Unleash economic stimulus distributing sterling to local organisations working for social, economic justice and that includes us!

Over the next 3 months the race is on to raise £1Million through the sale of these Ltd edition bank note artworks and we, at Barn Croft stand to gain significant funds should this be successful that will help us at Barn Croft

The greenback bank notes are works of art being made right now in Walthamstow. Visit the money printing facility installed at **1B Coppermill Lane, E17 7HA** 

Wed, Thurs, Sat, Sun 1-5pm. Friday 3-7pm. Closing night event Thurs 26 May.

Do come along to a launch event this **SATURDAY 14<sup>th</sup> MAY at the Outset Centre, 2A Grange Rd, London E17 8AH 3-6pm** where you can find out more and see the films the POWER team made about each of the organisations involved.

Like Bank Job, POWER involves constant filming and the whole project will be part of a feature documentary film.

## Clubs

Clubs have started this week, please see the table below.

Please ensure you have returned the slips back to the office as we will need to know what your child will be doing after the club.

Payments will be on Parentmail after a few weeks in to the clubs as some children might change their minds.
