- The policy has been adopted with the involvement of the whole school community.
- Barn Croft Primary School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

Responsibilities

It is the responsibility of:

- The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy.

The role of governors

The governing body supports the headteacher in all attempts to eliminate bullying from our school. The governing body will not condone any bullying at all in our school, and any incidents of bullying that do occur will be taken very seriously, and dealt with appropriately. The governing body monitors incidents of bullying that do occur, and reviews the effectiveness of this policy regularly. The governors require the headteacher to keep accurate records of all incidents of bullying, and to report to the governors on request about the effectiveness of school anti-bullying strategies. A parent who is dissatisfied with the way the school has dealt with a bullying incident can ask the chair of governors to look into the matter.

Anti-Bullying Policy

The governing body responds within ten days to any request from a parent to investigate incidents of bullying. In all cases, the governing body notifies the headteacher, and asks her to conduct an investigation into the case, and to report back to a representative of the governing body.
